FOREST PARK IS ST. LOUIS' CROWN JEWEL AND A BUILT-IN TENANT AMENITY AT HIGHLANDS ONE.

Attracting over 13 million visitors each year, Forest Park has established itself as a cultural icon and an all-season civic treasure. Easily reachable on a Highlands One complimentary bike, the park offers an oasis away from the office. Employees can unwind and reconnect with nature while surrounded by 1,300 acres of scenic landscapes and waterways, or become immersed in arts, education, and entertainment at historic venues scattered throughout the park.

THE SOUL OF STL

Highlands One is nestled between two of St. Louis' major thoroughfares that continue to see revitalization and investment from both local businesses and national chains. Recent retail, dining, and living experience updates along nearby Hampton Avenue and Kingshighway Boulevard include preferred food choices like Chipotle and Starbucks, new enterprises, renovated convenience stores, and full service car washes.
